**Aquafun® Play Raft**

These unique funny floats are sure to make your facility more popular. Gone are the days when a pool was lap swimming only. Fun is what makes a swimming pool popular and profitable! The Aquafun® mats are made from specially formulated EVA foam and are the best in the industry due to their durability. They will withstand the many times the kids will take them out to play. All models are available in vibrant red, yellow, green, and blue. You may not receive the specific color shown here. Great to use in free swim or in your swimming classes!

### Foam dice

Looking for a fun way to decide the number of laps your swimmers will swim or the number of times the kiddies in learn-to-swim classes have to dip their heads under water? We have the solution! Just roll the foam dice on the deck or on the surface of the water and you have an instant number to follow. Made from soft EVA foam, these colorful dice add a bit of WOW to any class or lesson and can be fun for young and old. The large one is sold individually and the small one per pair.

- ER-01494 Foam dice 8" x 8" (Pair)
- ER-01495 Foam dice 16" x 16" (1)

### Aquafun® Swim Belt

The Aquafun® swim belt is the most up-to-date swim aid on the market. Adjusting the foam around the body allows the child to swim on his/her back or stomach. The foam blocks may be gradually removed from the belt as the swimmer gains confidence in the water.

- ER-06000 Aquafun® swim belt

### BEMA Schwimmflügel

We offer the world-recognized, highest quality swimming aid on the market, the BEMA Schwimmflügel. It has qualities such as heavy gauge laminated PVC, dual air chambers and safety valves. The Schwimmflügel is available in four sizes: baby (baby to 2 yrs), small (2 to 4 yrs), medium (4 to 12 yrs), and large (12 yrs to adult).

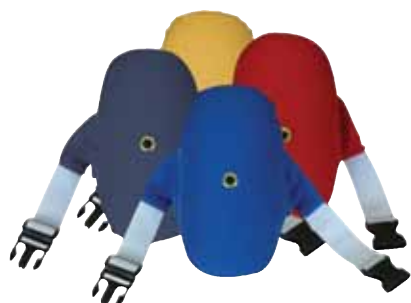

- ER-06002 Schwimmflügel (baby)
- ER-06004 Schwimmflügel (S)
- ER-06006 Schwimmflügel (M)
- ER-06008 Schwimmflügel (L)

### Dorsal Ball

The dorsal ball is used as a swimming aid. Attached to the waist and easily adjustable, the dorsal ball may be deflated gradually as the swimmer gains confidence in the water. This product is sold individually without specification of color.

- ER-06020 Dorsal ball

### Toddler Waist Belt

Made from durable foam, this belt will last as long as your child uses it. For instructional or recreational purposes, you will love the versatility of this product. Size 21".

- ER-06023 Toddler waist belt

**Adjustable Swim Diapers**

**Aqua Foam Buddies**

Ever conscious of our environment, we are working on reducing waste from foam toy production and we've found the perfect solution! We recycle foam cutouts to make new colorful and attractive shapes. Fifty pieces of the Aqua foam buddies are placed in a convenient mesh drawstring bag. With the price as attractive as the shapes, they're hard to resist! Approximate dimensions: 4" x 4"

- ER-18925** Foam buddies puzzle (50)
- ER-18926** Foam buddies assorted (50)

**Regular Sea Serpent**

Our sea serpents are colorful and always fun. Though not indestructible, they will provide hundreds of hours of entertainment.

- ER-20600** Regular sea serpent

**Junior Fins**

Made from a soft rubber construction, they are both comfortable and exceptionally durable. They easily fit to the child's feet and, with their vibrant colors, they are fun to wear.

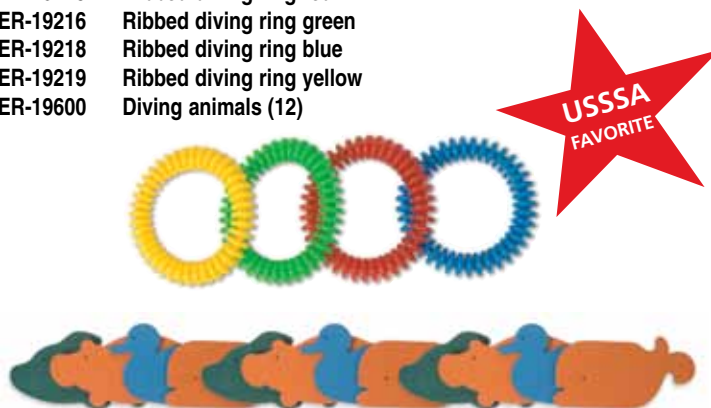

- ER-07438** Junior fins green/yellow 8-11
- ER-07439** Junior fins blue/red 11-13

**Diving Products**

This set of twelve cute animal cutouts consists of duck, hippo, and whale shapes. Made from rubber, these animals sink to the bottom and the children dive in to retrieve them. Next, we have our ribbed diving rings. Their great gripping properties allow for easy pick up, and their durability is what makes this product so popular. Both of these diving products can be used for recreation or as a teaching aid and, most importantly, they are safe to use. Diving animal colors are assorted. Diving rings are sold per unit.

- ER-19215** Ribbed diving ring red

**Floating Puzzles**

Our floating puzzles are made from resistant EVA foam and are 1/4" thick. Available in two colorful models; transport and animal. Sold per dozen, these puzzles are ideal to stimulate the imagination of your little ones during tot swim courses. Just allow the puzzle pieces to float on the water, and the first team to complete their puzzle, wins. Educational and fun, there are a multitude of games that can be played with this product.

- ER-18908** Animal floating puzzles (12)
- ER-18909** Transport floating puzzles (12)

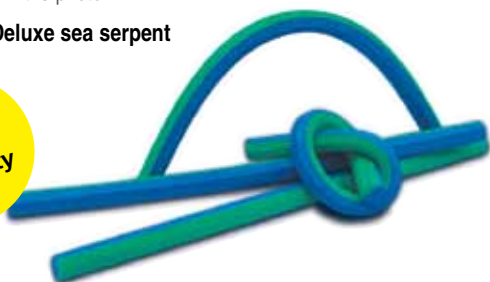

### Deluxe Sea Serpent

Great! A sea serpent that comes with a warranty! Aquam is proud to provide you with the deluxe sea serpent, which has been manufactured specifically for the institutional milieu. You will not find another sea serpent that compares. Dense foam construction allows this sea serpent certain unique properties such as durability, flexibility, and versatility. It will not absorb water nor will it split and this is guaranteed with a 2-year warranty. It is 60" in height, 2 3/4" in diameter, and octagon shaped. The color may vary from one shown in the photo.

ER-20610 Deluxe sea serpent

2 year warranty

### Aquafun® Friendly Animals

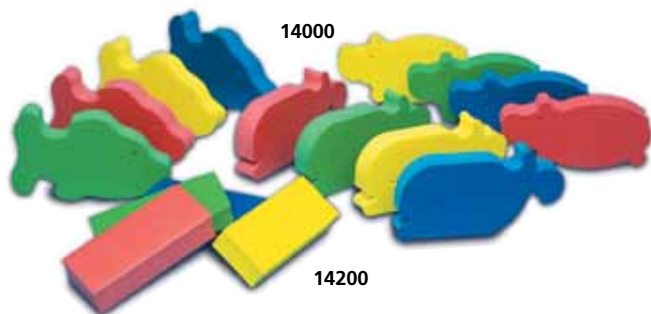

Ideal for small children, our colorful foam animals will provide tons of fun in the pool. Kids love their softness and their animal shapes. They are available in four attractive colors and shapes (whale, duck, hippo and shark).

Dimensions (animals): 9" x 4.5" x 1.5"

Dimensions (bricks): 7" x 3" x 1.5"
