

BACK STROKE FLAGS

Pool width

ft

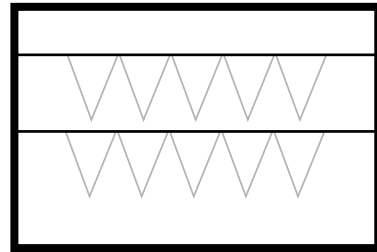

* Measure from wall to wall

Extra webbing on each side

ft

* By default, each line has 5pi of webbing on each side

Number of lines

COLOR(S)

GREEN

PMS 348 C

RED

PMS 1795 C

WHITE

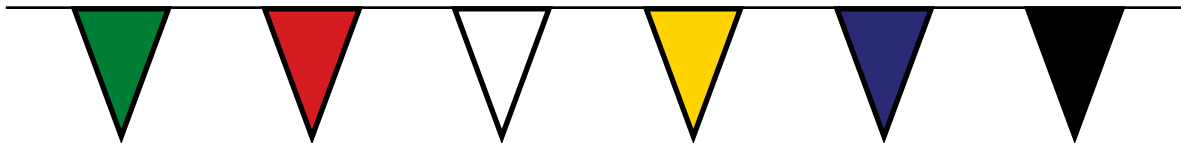

YELLOW

PMS 109 C

BLUE

REFLEX BLUE C

BLACK

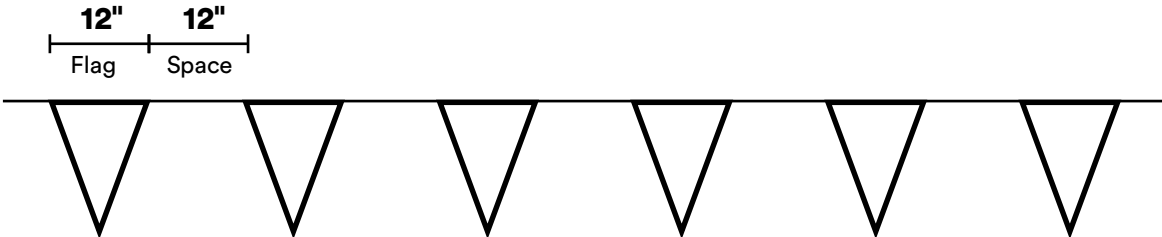

*Notes:

- The flag line will always start with coloured or black flag when choosing to alternate colors with white
- White and yellow flags are slightly see-through. Logos can be partly seen on the other side of the flag
- Please note flag colour may vary slightly from order to order. We cannot guarantee an exact Pantone colour match.

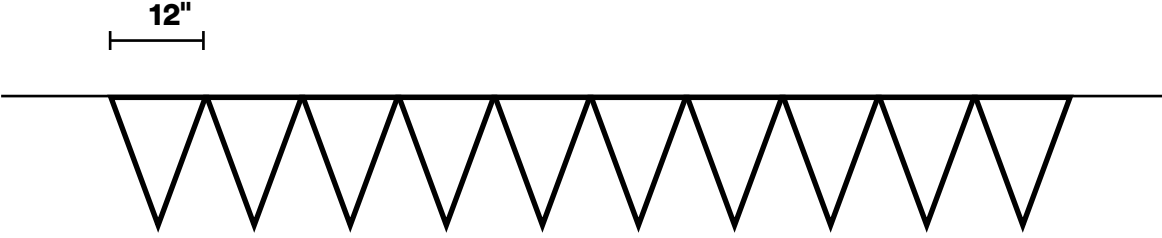

Choose either option, then go to its recommendend section below

SPACING

***Go to page 9 to select spacing custom options.**
IMPORTANT: Please disregard other pages after the section.

NO SPACING

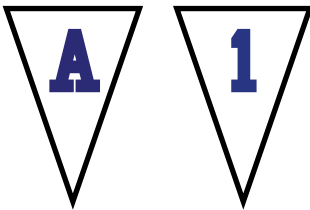

***Go to page the next page to select custom options for no spacing.**
IMPORTANT: Please disregard other pages after the section.

SPACING OPTIONS
