Wave 300XL

The trusted name for commercial pool cleaners

Designed for Olympic competition facilities and other large pools up to 154 feet, including those with beach entry, the Wave 300XL takes the challenges out of pool maintenance. This cleaner provides the highest level of filtration and floor scrubbing capabilities in its class. With the ability to program up to four (4) different cleaning parameters, the Wave 300XL gives you the convenience of using a single robot to clean multiple pools. Get the most out of your investment and a gold medal clean for your facility's swimming pool.
