

Please fill in the following information so that we can prepare a quotation according to the desired criteria. Please do not hesitate to contact us if you have any questions.

Number of lines : _____

Pool width : _____

Custom-made straps (optional) : _____

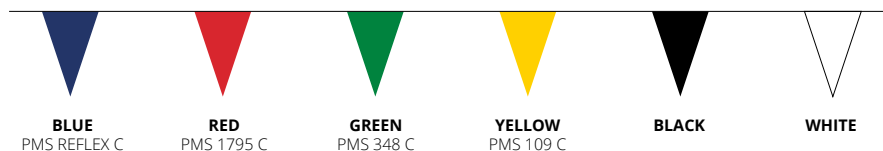

By default, backstroke flags lines have a length of 5 ft (1.5 m) at each end

Colour(s) of the flags :

- BLUE**
PMS REFLEX C
- RED**
PMS 1795 C
- GREEN**
PMS 348 C
- YELLOW**
PMS 109 C
- BLACK**
- WHITE**

Notes:

- The line will always start with the darkest colour, if alternating
- White and yellow flags are slightly transparent, which may show the logo on the opposite side
- We cannot guarantee a perfect match with a Pantone colour

Printing (optional) :

YES NO

Type of print :

We present the most frequently used models. If you would like a model that is not shown, please use the template below and clearly illustrate your request.

Notes :

- Logos may have up to 2 colours. In this case, they can only be printed on one side of the pennant
- Text may be written in the font shown below only, and in one size only

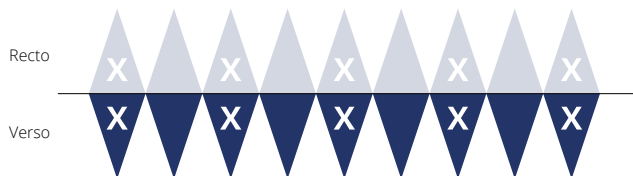

2-SIDED LOGO (1 COLOUR)

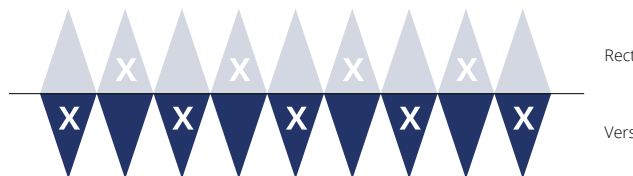

2-SIDED TEXT

2-SIDED SPACED LOGO (1 COLOUR)

ALTERNATING SIDE LOGO

Draw us a picture!

If the desired design is not shown above, indicate the desired location of the logos using **X**. If there is more than one logo, indicate **A** and **B**. For the text, write the word as desired.
