

Lifeguard Chairs

Cadira Lifeguard Chair

The unique Cadira chair has been specifically designed for beaches. Manufactured from a high-density plastic, it's extremely solid, resisting UV rays and even certain acts of vandalism. It is easy to anchor it to the ground or install an umbrella on it. It does not require any maintenance. With safety in mind, the Cadira was designed to provide enough room to seat two lifeguards. The chair is equipped with two lateral ladders for rapid ascent or descent. A second bench is located in front, at the base of the chair. It can be used as a second lookout post or as an area used to treat victims.

SA-57609 Cadira Lifeguard Chair...upon request

Plastic Lifeguard Chair

Made from high-density recycled plastic, these four chairs are strong and durable. These weather-resistant lifeguard chairs were created for both pools and beaches. The steps and platforms are textured for a better grip. Umbrella bracket included.

Ultra Lifeguard Chair

Ultra Lifeguard Chair

Our Ultra Lifeguard Chair is a unique blend of comfort and safety. For starters, the rear-mount ladder ensures continuous supervision of the pool and deck, even while accessing the seat. The large platform is spacious enough to accommodate two lifeguards, which is particularly convenient during shift changes, and it boasts a non-slip fibreglass grating for added safety. Hooks for the the ring buoy and rescue pole are additional practical features. The truly unique characteristic of this chair is the seat, which is height-adjustable, so lifeguards from the tallest to the shortest can find the perfect setting.

Equipped with two wheels, this unit is easily moveable, offering you the flexibility of relocating the lifeguard station for different viewing positions, while rubber feet on the legs provide deck protection and slip resistance. The stainless steel structure is powder coated for improved corrosion resistance and durability. In short, this chair offers unparalleled comfort combined with our customary quality and sturdy construction, meaning that although the lifeguards will come and go, this chair will be around for several years!

Price.....upon request

Paragon Lifeguard Chairs

All Paraflyte chairs have a platform height of 4'6", a seat height of 6'0" above the deck, and are supported by a type-304 stainless steel flanged pedestal. Anchors are sold separately.

SA-57000 Ladder at Rear
Its flare guard rails provide easy access to the platform.

SA-57100 Ladder at Sides
Ideal for pools with limited deck space.

SA-57200 OSHA
Its guard rails extend to the front of the platform for added safety.

SA-57600 Club
The vertical access ladder requires less deck space.

Portable Chair

All chairs are light enough to be easily lifted by one person (the 4-step weighs a mere 70 lb). The sloping front ladder allows easy access to the molded contour seat, and the angled legs add extra stability.

- SA-57548 2-Step
- SA-57549 3-Step
- SA-57550 4-Step

Rover Moveable Chair

This model is an ideal solution for a chair that is needed at different locations at different times. Rugged and stable, yet easily moved by one person due to wheels that roll easily on deck or lawn. This is the perfect chair for supervision, instruction, and judging.

- SA-57300 6 ft Rover Moveable
- SA-57400 8 ft Rover Moveable

Rover Semi Permanent Chair

Designed for those pools where the lifeguard chair must be anchored yet still capable of being readily moved. The rear legs are set into sockets anchored in the deck, while the front legs with wheels allow for easy relocation. Anchors and escutcheon plates sold separately.

- SA-57217 Rover Semi Permanent

Griff's Guard Station and Sun Shade

These chairs feature front entry, elevated viewing station, easy access, and non-skid surface. A wide front step also serves as an additional station and brings the guard closer to the pool edge. Heavy duty wheels allow convenient, easy portability. Stainless steel and fiberglass construction ensure long lasting and trouble-free service.

- SA-57220 Flat Guard Station
- SA-57221 Elevated Step Guard Station
- SA-57222 Full Height Guard Station

Griff's Vision Guard Station

A portable lifeguard station with an innovative, uninhibited wide front viewing edge. Available in one-, two-, or three-step models.

- Occupies minimal deck space and may be positioned close to pool's edge
- Dual side access for uninterrupted surveillance during lifeguard changes
- Cushioned swivel/fold-down seat

- SA-57226 One-Step
- SA-57227 Two-Step
- SA-57228 Three-Step

All Terrain Griff's Guard Station

A versatile lifeguard station that can be manoeuvred over most terrain and may be used in either indoor or outdoor facilities.

- Available in 3 heights: (4 ft, 5 ft and 6 ft)
- Fold-down cushioned seat provided
- Large pneumatic wheels for easy manoeuvring
- Ships flat and assembles in minutes

- SA-57223 4 ft
- SA-57224 5 ft
- SA-57225 6 ft

Lookout Platform Chair

Specially engineered for busy aquatic facilities and water parks. Access from both sides allow two lifeguards on the platform at the same time to maintain uninterrupted guard, during change of shift. Sloping steps allow quicker dismount. Portable, solid stainless steel frame, 360° swivel seat mounted on an extra large 60" x 36" non-skid fiberglass platform. Seat height is 54" from deck. Platform height is 36" from deck.

- SA-57203 Platform Chair

Lookout Dual Side Mount Chair

Ideal for pools with limited deck space. Convenient access from both sides permits uninterrupted surveillance during lifeguard changes. Portable, solid stainless steel frame, 360° swivel seat is mounted on a 4 ft x 4 ft non-skid fiberglass platform. Seat height is 54" from deck. Platform height is 36" from deck. Wheels allow for easy relocation.

- SA-57205 Dual Side Mount

Lookout Chairs

Designed for pools that do not require a full-height chair. All Lookout chairs offer an elevated, 360° swivel seat which sits on a non-skid platform. Station provides easy access and dismount. Available in one-, two-, or three-step models. The 1-step standard model has a seat 30" above deck. The 2-step model has a seat 42" above deck. The 3-step model has a seat at 54" above deck.

- SA-57211 1-Step
- SA-57212 2-Step
- SA-57213 3-Step

Lifeguard Chairs

Every aquatic facility will find a product to meet its needs in the line of lifeguard chairs offered by SR Smith. Both stationary and mobile models are offered in various heights and rotational capacities. All of them respect current safety standards, as well as taking into account certain practical aspects of their use.

All products on the following pages may be powder coated upon request. Ask about applicable fees.

Price upon request

O-Series Lifeguard Chair

The O-Series lifeguard chair is a unique take on the classic design, with its characteristic circular shape. Equipped with two wheels, this movable chair can easily be placed anywhere around the pool. A 360-degree swivel seat and non-slip footboard ensure not only quick access to the seat, but also the possibility of making a fast break from any angle. Seat height from pool deck: 30" or 42"

- SA-56536 O-Series 30"
- SA-56537 O-Series 42"

Standard Lifeguard Chair

The 6-foot (1.8 m) Standard chair is equipped with two wheels for easy mobility, allowing it to be placed where needed. It features a 45-degree swivel seat, and a non-slip platform with direct ladder access. Seat height from pool deck: 6' (1.8 m)

- SA-56530 Standard Lifeguard Chair

Outlook 1 Lifeguard Chair

This stationary chair has a narrow profile with a single anchor point, requiring minimal deck space. The six-foot (1.8m) seat height, as well as the 360-degree swivel permit an uninhibited view of the entire pool and deck. Hand rails and posts are made of 304 grade stainless steel, and the base post is powder-coated in silver grey for corrosion resistance. Anchor included.

- SA-56542 Outlook 1 Lifeguard Chair

Guardian Lifeguard Chair

This permanent chair is recommended for general use in all types of installations. It features a slim design, with an extended platform and hand rails for increased safety. Anchors included.

- SA-56546 Guardian Lifeguard Chair

Low Profile Lifeguard Chair

Two wheels make the Low Profile lifeguard chair easy to move around the pool deck as needed. It features a wide (38" x 42"), rear-entry platform for quick entry and exit. Seat height from deck: 32", 42" or 54". Required deck space: 38" x 42".
